RE: AB 76 (CORBETT) – VETO REQUEST

Dear Governor Davis:

I write on behalf of my small business to respectfully request your veto on AB 76 (Corbett). In terms of priorities, I believe we need to put our state's economy ahead of attorneys and shakedown lawsuits.

AB 76 creates new legal liabilities for employers like me causing us to be responsible for the actions of virtually anybody who comes into contact with our employees. This liability extends to third parties of which I, as a business owner, have little to zero control. AB 76 clearly increases the legal liability of my business and amplifies unnecessary litigation and ultimately drives up the cost of doing business in this state.

I believe we need more jobs in this state *NOT* more costly, endless and unnecessary litigation. For these reasons, I respectfully ask for your 'VETO' on AB 76 (Corbett). If you should have any questions, or need additional comment, please do not hesitate to contact me at (____) ____-____. Thank you.

Very truly yours,
